THE HISTORY OF THE
CITY OF BOSTON

From its first settlement in 1630 to the present time, the city of Boston has been a center of commerce and industry. It was founded by a group of Puritan settlers who sought a place where they could practice their religion freely. The city grew rapidly, and by the mid-17th century it was one of the largest and most important cities in North America. It was the site of the Boston Tea Party in 1773, a key event in the American Revolution. After the war, Boston became a major center of trade and industry, and it played a leading role in the abolitionist movement. In the 19th century, the city was the center of the Transcendentalist movement, and it was the birthplace of many important writers and thinkers. Today, Boston is a major city in the Northeast, and it is known for its rich history and culture.

Dear Sister

I have now an opportunity to answer your elegant
lett. of June 9th first. but I must beg
your pardon before I proceed any further
for not being acquainted with so much elegance
as your pen. I shall form but a very
Epistle: but I have no reason to think but
you will grant it as you know I am but
a poor Saler and was never capable to
improve in that line of business: —
Phebe, you very much surprised me when
you talk of being an oad made before
you have past the teens: but I must make
an allowance for your seeing so many
oads made, and I may add old girls
around you: but you tell me you ~~are~~ and I have —

reason to believe it as ~~the~~ of your fair
Complexion over spread with such a glow
of health can't fail to captivate the hearts
of Sam the young bachelors: but dear sister
you make so many apologise for the hat
I sent you which I think was not worth
mentioning but I fancy you are afraid of
emptying my purse (which by the way is almost
worn out) then you must be my Debtor so
send me a note of hand wally recd &
my love to Miss Desire Foster and
I thank her for her respectful complement
and I should be happy to serve her in any
respect and wish it might be on a voyage
of matrimony as I fancy we should sail
very pleasantly through life my best respects
to her Mamma & to her much admired
sister Lydia and tell them how much
I love them

Where I hope this will find you all
in good health as it leaves me

And beg you may command me
when you think I can in the
least serve you for I am
your Faithfull & affectionate
Brother

Henry

I was sorry to see the remarks in the Register respecting the location of the Bank. I think many will withhold taking stock, if it is to be located in the Exchange - will hold off, at least, till the matter is settled - David Thomas called at Warren & Freemans on his way home from Bank Meeting and stated that he came up with the intention of taking stock but finding it was to be located in a dry good store he would have nothing to do with it. We got from that impression from the fact, that after the vote was passed to locate it within $1/4$ mile of the Exchange, an effort was made by Marshal Mendenhall & others of Christ's friends to get a vote passed for the directors to locate in "Exchange Building" if it could be done on terms that would save expense to the Bank, but they ~~failed~~ were asked

not to urge it as the directors would
of course would do what would
be the Cheapest

Chester giving out that he should
not ask much rent & give all
the impression that if the directors were
going on the Cheek scale it would
be located there. I wish I suppose
got his news from that source &
from conversation with Chester

I have just written a private letter
to Phinny stating the case & should he
not make a blunder in getting it
off all will be set right.

I find that Capt Small is rather
inclined that way. His ideas of con-
sulting Joshua Robbins, who is a proprietor
in the building, urging him to it, makes
him, I think, thus inclined - I hope
you, as you have opportunity, will
urge the directors to a contrary course

Mr Baldwin of firm of Baldwin
Bald & Cousland New York called yesterday
in order to get the making of our plates
I took him to Capt Small, He made
out a strong case for himself but
Capt S. of course could only say that
he would present his claim to the

directors, I of course have nothing to say in
the matter I only asked him to call on you
which he promised to do -

I have, for several months, been examining
all the Bill which have passed through my
hands, with this thing in view, and have made
up my mind decidedly, that the best
work which I have seen, comes from
Tappan, Carpenter, Casilean & Co. N York
but have a very poor opinion of
the New England Bank Note Com^y work

I have told Cepl small
you would like to be put
on the Committee for that
purpose

Yrs heartily

Harwich, Mass. Feb 22, 1856

Dr Henry I have indeed had a
tough time of it but the smoke
is beginning to clear away - I
expected the young man from the
Provincetown Bank till the last
moment before we commenced
Smith then wrote me he could not
let him come as he had agreed
to - which left me altogether in the lurch
but I have got along a great deal
better than I expected to - Have
made but few blunders as yet. But
I know in whom I have trusted - It
is not from any knowledge of my own
or any I have got from others, that
I have got along so well -

But no living man can tell the
mental anguish I have suffered
the last three weeks - so much on
my hands & knowing so ill they
how to perform it -

The Machine I think now is
in pretty good working order
Have had a letter from Aquil

Glass Co — Think favourably of
the proposition — I shall lay it
before the Directors Monday

Yours suggestion with regard
to taking Bill from Suffolk Bk to
exchange will be good for us
when our acct gets closed —

Our acct last Monday stood thus

Suffolk Bank Dr — \$44,955

Barnstable Bk Dr — \$9,416

Bank Notes Issued — \$69,276

On hand — 22,203

Circulation — \$47,073

Bal. Deposits over & above our present
Capital as per Commissioners Certificate }
paid on ace of stock (we call it deposits) \$10,125

Bal. Deposits by individuals on their own ace \$5,766

Notes Discounted prior to Monday \$6,419.45

Dis Monday pay 16,000

present amo \$72,419.45

Foreign Bills in vault \$3,313

Specie in do — 3,790.41

We have not yet rec'd any of our

49.3
Bills from Suffolk - not having
Expro arrangements completed.

Suppose we have a considerable
Amo there - Have ordered Capt
Sol Freeman to call & take them
tomorrow -

We exchange directly with
Barnstable but am able to
keep our acct good

I rather think I shall
like the business when I get
well broke in & get the machinery
in perfect order -

My own affairs are hanging
along, My creditors don't scold much
but I need about 1000 dol, to make
things go easy - Have will it
do to ask Capt Wall to hire
1000 from this bank & let me hire
it of him, I guess he will not
object to take my individual name
for that amo - we have a very good
understanding thus far - Have been
obliged to neglect my store matters
altogether have made no collections
of consequence - Chas N is still
with me

24

Caroline & Prince writes me from
Kegan's says she is then with
her family to board 6 months
but would prefer to come to Warwick
& receive benefit of P G Seminary

~~Wanted~~ Has she a plenty
of Money to pay her way?

If so I have no particular
objections to her coming, if she
can get a place to board, but
if she has not Money, I
would prefer for her to stay
where she is - what have
I better say to her

Yrs heartily

Henry I will look into the matter of
the probable propriety to divide in a
few days. I am as busy day &
night as I can well be fixing up
for my A^ll dividend - The
Committee are with me to day
examining matters.
